I. THE HISTORICAL BACKGROUND

Holy Family College of Nursing aims to be the center of academic excellence in the field of nursing education. The School of Nursing, Holy Family Hospital, New Delhi started in 1956, was a bud which has bloomed into College of Nursing. In all these years it has stood steadfast for the mission and vision of providing high quality nursing education. B.Sc(Hons) Nursing programme started in the year 2011 under University of Delhi. The College was inaugurated on 12th August 2011 by His Grace Vincent M. Concessao, Archbishop of Delhi. The occasion was graced by the Guests of honour, His Grace Bishop Mulakkal, Auxiliary Bishop of Delhi and Prof. Dinesh Singh, Vice Chancellor of Delhi. The College has started with Post Basic B.Sc Nursing and M.Sc. Nursing courses from the accademic session 2016 -2017 . The first annual convocation was held on 17th March, 2017 which was graced by the presence of Prof. Yogesh K.Tyagi, Vice Chancellor University of Delhi as chief guest. His grace Arch Bishop Anil J.T.Couto President New Delhi Holy Family College of Nursing of nursing presided over the function.

Holy Family Hospital is the parent hospital of the College. It is a 332 bedded multi- specialty Hospital, run by the New Delhi Holy Family Hospital Society and managed by the Delhi Catholic Arch- Diocese. It is registered as a Charitable Non- profit Registered body under the Societies Act/ XXI of 1860 and has the Archbishop of Delhi as its Chairperson. It was founded by the Medical Mission Sisters in 1953. The foundation stone was laid by His Excellency, Dr. Sarvapalli Radhakrishnan, Vice President of India. Subsequently, the running of the Hospital was handed over to Delhi Catholic Archdiocese in 1990.

The Hospital endeavours to maintain a good General Hospital standard that will benefit people from all economic strata of society. A strong emphasis is placed on promotive and preventive health services; these are rendered through outreach programmes and always in collaboration and co-operation with the people and the Government. The Hospital is alert to the changing needs of the people it serves; it will pioneer, go beyond present situations; take risks and respond to the signs of the times in effective love and service within the scope of its purpose.

II. PHILOSOPHY

Holy Family Hospital, New Delhi

The vision and values of the Founder Mother Dr. Anna Dengel, are an integral part of the philosophy of this Hospital.”Open and attentive to the signs of the times, the Hospital endeavours to respond to the needs of Society by offering its services even in areas where others hesitate or fear to tread. “ The dignity of the person supersedes all other considerations and there is no discrimination of class, caste, creed or religion. Health in its wholeness is the chief concern, and the Hospital puts all its resources, human, material and spiritual at the service of those in need.

At the core of Holy Family Hospital, New Delhi, lies the conviction that all people are equal and share the same divine life. The Creator of all life calls forth from all of us in this institution a commitment to serve our fellowbeing. All the services in this Hospital aim to preserve, protect and promote healing of the whole person, through a General Medical Hospital facility.

“A Caring Attitude” is the hallmark of all the services offered and not just the dignity but also the divinity in a human person is recognized in all our endeavours.

Holy Family College of Nursing

The College believes in providing nursing education based and built on scientific principles, sound educational theory and clinically sound practice in order to prepare clinically excellent, professionally qualified nurses who will work efficiently in all health care settings to meet the health needs of the society.

III. OBJECTIVES

1. Acquire knowledge of theory and principles of nursing and allied subjects which are required for comprehensive nursing practice.
2. Care of patients with a spirit of love and service, regardless of caste, creed or colour.
3. Develop skills in applying scientific principles and knowledge in rendering health services in the hospital and community.
4. Acquire skills in identifying health needs of the community & provide comprehensive community health nursing services.
5. Training students in an efficient and effective way for the overall development of their personality and also as competent professional nurses.

IV. OVERVIEW OF THE COURSE

General Nursing and Midwifery

Duration of the course : 3 years

The purpose of the course is to assist students become competent professional nurses committed to the promotion of health, prevention of disease, care during illness and rehabilitation of the clients.

The curriculum has been planned to provide a broad concept of the fundamental principles of quality nursing care based on strong theoretical concepts to enable students to function effectively in varied health care settings at individual, family and community levels, in urban as well as rural areas.

Students will have practical experience both in hospital and community settings. Nursing Council Examinations will be held in September each year. However, internal assessment will be done continuously throughout the academic session by conducting unit test, term tests, pre council exam, assignments, projects, and other reports.

Internal Assessment

- There is 25% internal assessment for all theory papers and 50% for all practicals.
- Minimum pass marks are 50%. Anyone failing in internal assessment will not be allowed to appear in council examination.

Attendance Requirement - 80% in theory and 80% in practical for appearing in the examination. However, 100% practical attendance & requirements must be completed before the award of diploma as per Indian Nursing Council and Delhi nursing council guidelines.
