## Dear Unni Nair

I hope you are doing fine. Sorry for late communication.

I would like to express my sincere thanks to you and the whole team of Holy Family Hospital for your kindness and infinite caring. Your hospital service is excellent, the hospital is very clean, Doctors are charming and caring, the nurses are committed. I felt at HOME and enjoyed my stay.

I come to India for the purpose of Medical checkup. I arrived on 18th June 2018 and my departure was 30th June 2018 however the medical checkup, including consultations and test results took 10 days. I met Dr. A.P. Bhat, Dr. Shanti who made my stay very comfortable without tension.

I was also happy to visit Ayurveda clinic where I got alternative medicine which are very helpful to my healthy.

Thanks God, I was happy to have a place to pray as well-the chapel

In light of the above it is now my responsibility to follow doctor's instruction/advice of which I am trying to fulfill to keep my healthy in order. I will always recommend Holy Family Hospital to friends and relatives who wish to come to India for medical trip.

Unni thank you so much, you are wonderful, you perform your work professionally (public relation). You did not get tired to assist me whenever I asked some guidance.

THANK YOU AND GOD BLESS YOU

Regards
